Restriction

In response to the Restriction Requirement dated 28 January 2008, Applicants hereby elect, with traverse, Group I (claims 5-8) drawn to method of tanning the human body.

Withdrawal of this restriction requirement is respectfully requested. A search of all the claims would comprise overlapping subject matter, and it would not be an undue burden on the Examiner to carry out a search. "If search and examination of an entire application can be made without serious burden, the examiner *must* examine it on the merits, even though it includes claims to independent or distinct invention." (Emphasis added.) See, M.P.E.P. § 803. Accordingly, it is respectfully submitted that the restriction be withdrawn.

Should the Restriction Requirement still be maintained, Applicants will seek reentry of any withdrawn claims once allowable subject matter has been determined.

No fees are believed to be due with this response; however, the Commissioner is hereby authorized to charge any fees associated with this response to Deposit Account No. 13-3402.

Respectfully submitted,
